NILL'S
furniture design

home**furniture**

In our opinion, furniture is much more than the items that decorate our homes. Furniture is a member of the family. We position the furniture, which has witnessed every memory lived in our house for years, and which is right next to us in many sadness and happiness, in the heart of life. Based on this insight, we shape every detail that will add value to the furniture with artistic approaches and mastery; We are proud to give furniture the value it deserves.

Nill's History

Furniture and furnishing adventure begins in Ankara in the year 1955. The success and establishment achieved by the year 1964, combined with in depth experience; the company effectively takes part in the establishment of the Ankara Siteler' development and two years later in 1966, furniture production and design activities continues as Özen Kardeşler.

Production is sustained in Ankara Siteler, with continuous innovations, evolving year by year. In 1982 with the opening of the Inegol branch, considering work will be carried out under more favorable conditions, both in terms of raw materials and the logistics; decision is taken to continue furniture design and production activities in Inegol and so, production facilities moves here in 1983. In 1998, the company was transformed into a limited company, taking a step further towards institutionalisation and when the year 1999 comes, a brand was formed named «Öznil», under which design and production of classic wooden furniture takes place. In 2006, work activities has begun for the establishment of a new production facility and a new company by taking the decision to invest in the field of wood furniture design and production, as a result of research and development outcomes, considering market supply and demand equilibrium.

In 2007, company official title has become Nesli Mobilya Koltuk Orman Ürünleri San. Tic. Ltd. Şti and the brand name, Nill's Furniture Design. In the same year, furniture design and production have started with the first launch performed at IMOB, Istanbul Furniture Fair. Entering the year 2008, sofa design and production was added in the product portfolio with a broad vision and investment. Manufacturing activity continues with the latest technology machinery, imported from Europe in 2007, evolving and developing day by day.

Nill's Furniture Design, brings you together with thousands of products at a fast pace, in Turkey and in the world furniture market, in a way that is successful and result-oriented with manufacture facilities at world-class standards as well as product structure, quality, distribution network, sales and after-sales service approach that keeps customer needs and happiness at the forefront.

Based on 50 years experience, Nill's Furniture Design represents our country successfully in the world market, progressing towards becoming the leading brand at modern wood furniture design and production.

Laly Dining Room

Standing out with its curved surfaces, Laly Dining Room carries the sparkle of gold and mother-of-pearl in every sculptural piece. The dining table, which is the leading role of the dining room, prepares a suitable floor for magnificent tables. Chairs with an elegant silhouette on wooden legs accompany these tables. The console and the showcase, which are other parts of the set, open up ample room for storage. These pieces, which have a full design, can be used in many areas from the office to the bedroom. Plain surfaces with mother-of-pearl lacquer and aged gold finish gain movement on console and showcase covers. These surfaces, which feel like touch, are made of painted MDF boards.

Laly Tv Unit

Standing out with its gold color and mother of pearl surface finishes, Laly TV Unit creates a long block by adding concave and convex sided modules to each other. These modules, which can be preferred on their own, integrate with the wall shelves and become the striking part of the living spaces. The surfaces of the unit, which may be flat and movable in places, are made of painted MD boards.

■ **Nox** Dining Room

The ceramic and glass surfaces of the Nox Dining Room, every detail of which is designed in harmony, reflect the beauty of your home and create a pleasant ambiance in your most special moments. The geometric touches on the mdf mirror, ceramic surface table and metal legs emphasize a common design style. The painted glass surfaces surrounding the console are supported by melamine coated particle boards, and the reflective glass is supported by aluminum frames.

Nox

Tv Unit

The ceramic and glass surfaces of the Nox TV Unit, every detail of which is designed in harmony, reflect the beauty of your home. The showcase and in-shelf lighting feature creates a pleasant ambiance in your special moments. It is possible to select modules according to the wall size on which you will position the unit. At the same time, the painted glass surfaces surrounding the unit are covered with melamine-coated particle boards; Reflective glasses are supported by aluminum frames.

Alba

Sofa Set

Alba, which means the light that appears before the sunrise, is preparing to enter your life as a symbol of new beginnings. While referring to the meaning of its name with its linear style of clarity and aesthetics, it improves the energy of the environment with the atmosphere it creates.

Alba Armchair demonstrates the importance given to the use of natural materials with its beech wood lathe feet and bouclé fabric with high cotton content; It offers a long service life with the use of beech timber and poplar plywood in its frames.

Lines V.1 Sofa Set

Crowning ergonomics with elegance, Lines opens the doors of a world where time stops to those who choose it. Thin armrests make room for plenty of throw pillows and cushions, allowing you to get lost in the seat. The satin woven fabric, on the other hand, provides a special finish to the seat by making glittering transitions on the metal base.

While the cylindrical metal base and legs are plated in smoked color, the seat sponge is polyurethane with high elasticity. The product accompanies your most special moments for many years with the beech timber and poplar plywood used in its frame.

■
Roza Dining Room

The first appearance of the Roza Dining Room is strong calacatta ceramic top. Specially painted metal legs, which create a pleasant harmony with the colors on the ceramic, soften the table edges with a curve. While tempered glass on the table top and extra transparent glass surfaces on the console complete the smooth appearance of the collections, American moire walnut veneered mdf material is used on the sides.

Roza Dining Room

There is crash-preventive brake mechanism on the console, for which natural walnut veneering and metal legs are used. To sum up, Icona Dining Room Set comprises strong elements for the ones who want to prepare exquisite presentations accompanied by the harmony of glass and metal.

Roza Tv Unit

At first glance, the precious surfaces of the Roza TV Unit, customized with calacatta ceramic, catch the eye. Special painted metal legs, which create a pleasant harmony with the colors on the ceramic, increase the strength of the unit together with the metal profile. American moire walnut veneer and glossy white painted glass surfaces complete the collection's smooth appearance.

Otello

Sofa Set

The Otello Armchair, which best suits the minimal stance and gains a solid stance by processing the linen perfectly, underlines the comfort with the painted beech timber flap in front of it. Armrests with curved front surface and wide sitting area invite you to take a rest. Available in ebony and walnut dyed lapels, two different Otello versions are offered, paired with different colored linen fabrics. In addition, while matte black metal is used on the legs, beech wood and profile frame form the body. The triple sofas, whose backs can be opened backwards, offer an extra privilege for your guests with the feature of being a single bed.

Otello V.2

Sofa Set

The Otello Armchair, which best suits the minimal stance and gains a solid stance by processing the linen perfectly, underlines the comfort with the painted beech timber flap in front of it. Armrests with curved front surface and wide sitting area invite you to take a rest. Available in ebony and walnut dyed lapels, two different Otello versions are offered, paired with different colored linen fabrics. In addition, while matte black metal is used on the legs, beech wood and profile frame form the body. The triple sofas, whose backs can be opened backwards, offer an extra privilege for your guests with the feature of being a single bed.

■ Otello V.1 Relax

With a minimal design, Otello Relax underlines the comfort with its painted beech timber lapel in front. The armrests with curved front surface and the large sitting area invite you to relax. The lapels, presented in glossy anthracite and American Milling Walnut, are paired with different colors of nubuck and linen fabrics, and are offered in two different Otello versions. In addition, while matte black metal is used on the legs, beech wood and metal frame form the body. The relax sofa, the backs of which can be opened backwards, offers an extra privilege for your guests with the feature of being a bed.

■ Otello V.2 Relax

With a minimal design, Otello Relax underlines the comfort with its painted beech timber lapel in front. The armrests with curved front surface and the large sitting area invite you to relax. The lapels, presented in glossy anthracite and American Milling Walnut, are paired with different colors of nubuck and linen fabrics, and are offered in two different Otello versions. In addition, while matte black metal is used on the legs, beech wood and metal frame form the body. The relax sofa, the backs of which can be opened backwards, offers an extra privilege for your guests with the feature of being a bed.

Gona Sofa Set

Gona, animating plain and modern lines with quilted upholstery; It is produced specially for those who want to make a difference in their living spaces. Gona has only linen fabric in one of the three seats and a combination of linen fabric and vegan leather in the other. Medium soft sponge is used in the mobile cushion and fiber filling materials are used in the back cushion. Smoked metal legs, beech timber frame, and supporting iron bar used in the seat frame, increase the durability to the next level.

Moll Sofa Set

Moll make a strong impression on the eye with its comfortable look while striking the balance between functionality and style. It offers functionality with its manual mechanism, adjustable headrests, charging unit and bed mechanism. It is upholstered with nubuck, which conforms to its shape with perfect aesthetics, thus providing optimum comfort. At the same time, the armchair brings the power of nature to your home with its beech timber frame that complements the painted natural wooden legs.

Moll v.2

Corner Set

Moll make a strong impression on the eye with its comfortable look while striking the balance between functionality and style. The corner group with adjustable headrests with manual mechanism offers functionality with its charging unit and bed mechanism. It is upholstered with nubuck, which conforms to its shape with perfect aesthetics, thus providing optimum comfort. At the same time, the armchair brings the power of nature to your home with its beech timber frame that complements the painted natural wooden legs. Moll is waiting to meet you with two different versions as Vol2 and Vol4.

Moll v.4

Corner Set

Moll make a strong impression on the eye with its comfortable look while striking the balance between functionality and style. The corner group with adjustable headrests with manual mechanism offers functionality with its charging unit and bed mechanism. It is upholstered with nubuck, which conforms to its shape with perfect aesthetics, thus providing optimum comfort. At the same time, the armchair brings the power of nature to your home with its beech timber frame that complements the painted natural wooden legs. Moll is waiting to meet you with two different versions as Vol2 and Vol4.

Moll V.1 Relax

Moll make a strong impression on the eye with its comfortable look while striking the balance between functionality and style. The relax corner, which has adjustable headrests with manual mechanism, offers you functionality with its charging unit and bed mechanism. It is upholstered with nubuck, which conforms to its shape with perfect aesthetics, thus providing optimum comfort. At the same time, the armchair brings the power of nature to your home with its beech timber frame that complements the painted natural wooden legs. Moll is waiting to meet you with two different versions as Vol1 and Vol3.

Moll V.3 Relax

Moll make a strong impression on the eye with its comfortable look while striking the balance between functionality and style. The relax corner, which has adjustable headrests with manual mechanism, offers you functionality with its charging unit and bed mechanism. It is upholstered with nubuck, which conforms to its shape with perfect aesthetics, thus providing optimum comfort. At the same time, the armchair brings the power of nature to your home with its beech timber frame that complements the painted natural wooden legs. Moll is waiting to meet you with two different versions as Vol1 and Vol3.

Roda Sofa Set

Roda Living Room adds a special atmosphere to your modern living spaces by combining elegance, comfort and functionality. This special living room set turns your home into more than just a sitting area with its originality and usefulness in its design. While Roda adds elegance and modernity to your home with its contemporary lines and aesthetic details, it also offers unforgettable comfort with its large seating areas.

Reflex V.1

Sofa Set

With its elegant and comfortable seats, Reflex invites you to rest. The retractable back mechanism makes the seats deeper with a simple touch. While its smoked color plated metal legs create a nice harmony with its metal accessories; Emphasis is placed on the seat edges with roving on the linen fabric. The frame is made of kiln-dried beech timber.

Reflex V.4

Sofa Set

With its elegant and comfortable seats, Reflex invites you to rest. The retractable back mechanism makes the seats deeper with a simple touch. While its smoked color plated metal legs create a nice harmony with its metal accessories; Emphasis is placed on the seat edges with roving on the linen fabric. The frame is made of kiln-dried beech timber.

Reflex V.2 Relax

With its elegant and comfortable seats, Reflex invites you to rest. The retractable back mechanism makes the seats deeper with a simple touch. While its smoked color plated metal legs create a nice harmony with its metal accessories; Emphasis is placed on the seat edges with roivings on the linen fabric. The frame is made of kiln-dried beech timber.

Reflex V.3 Relax

With its elegant and comfortable seats, Reflex invites you to rest. The retractable back mechanism makes the seats deeper with a simple touch. While its smoked color plated metal legs create a nice harmony with its metal accessories; Emphasis is placed on the seat edges with roving on the linen fabric. The frame is made of kiln-dried beech timber.

Kingsley Sofa Set

Representing the dance of the quilted armchair with elegance and modernization, the Kingsley Armchair exhibits an iconic stance. While the combination of linen fabric and leather strengthens this stance; wooden lükens feet give a feminine look. This mobile cushioned sofa group, whose frame is made of hornbeam timber, is upholstered with sponges and fibers of different densities.

Dali

Corner Set

Designed with all personal requirements in mind, Dali Corner stands out as a special product that turns the need for relaxation into pleasure. The back provides depth in the seat by moving back and forth thanks to its mechanism that gives it a nice curve. The Local Hardwood Walnut solid coffee table, which has the warm tones of wood, is located at the two ends of the corner group and in the middle part. While natural wood is used in the foot part, velvet fabric is used in the upholstery. Beech wood and metal frame are used.

Dali V.2

Corner Set

Designed with all personal requirements in mind, Dali Corner Vol2 stands out as a special product that turns the need for relaxation into pleasure. The back provides depth in the seat by moving back and forth thanks to its mechanism that gives it a nice curve. The Local Hardwood Walnut solid coffee table, which has the warm tones of wood, is located at the two ends of the corner group and in the middle part. While natural wood is used in the foot part, linen fabric is used in the upholstery. Beech wood and metal frame are used.
