In our opinion, furniture is much more than the items that decorate our homes. Furniture is a member of the family. We position the furniture, which has witnessed every memory lived in our house for years, and which is right next to us in many sadness and happiness, in the heart of life. Based on this insight, we shape every detail that will add value to the furniture with artistic approaches and mastery; We are proud to give furniture the value it deserves.

IF YOU ARE READY FOR A MASTERPIECE, MONO IS READY FOR YOU

Mono bedroom

Mono Bedroom, which is a combination of design intelligence and expert craftsmanship, combines the warmth of wood color with the coolness of dark marble pattern. Strong pieces that move forward with emphasis on the edges of the dresser, nightstand and laundry and continue on the feet are balanced by the soft transitions on the covers. The bedstead, which creates a pleasant atmosphere in the bedrooms with its appliques, offers the right to choose with its options with and without storage. The bronze reflective glass cabinet system, which consists of modules, has a great alternative module for corner solutions.
