

“A REFLECTION OF YOU”

## NILL'S HISTORY

Furniture and furnishing adventure begins in Ankara in the year 1955. The success and establishment achieved by the year 1964, combined with in depth experience; the company effectively takes part in the establishment of the Ankara Siteler' development and two years later in 1966, furniture production and design activities continues as Özen Kardeşler.

Production is sustained in Ankara Siteler, with continuous innovations, evolving year by year. In 1982 with the opening of the Inegol branch, considering work will be carried out under more favorable conditions, both in terms of raw materials and the logistics: decision is taken to continue furniture design and production activities in Inegol and so, production facilities moves here in 1983. In 1998, the company was transformed into a limited company, taking a step further towards institutionalisation and when the year 1999 comes, a brand was formed named «Öznil», under which design and production of classic wooden furniture takes place. In 2006, work activities has begun for the establishment of a new production facility and a new company by taking the decision to invest in the field of wood furniture design and production, as a result of research and development outcomes, considering market supply and demand equilibrium.

In 2007, company official title has become Nesli Mobilya Koltuk Orman Ürünleri San. Tic. Ltd. Şti and the brand name, Nill's Furniture Design. In the same year, furniture design and production have started with the first launch performed at IMOBY, Istanbul Furniture Fair. Entering the year 2008, sofa design and production was added in the product portfolio with a broad vision and investment. Manufacturing activity continues with the latest technology machinery, imported from Europe in 2007, evolving and developing day by day.

Nill's Furniture Design, brings you together with thousands of products at a fast pace, in Turkey and in the world furniture market, in a way that is successful and result-oriented with manufacture facilities at world-class standards as well as product structure, quality, distribution network, sales and after-sales service approach that keeps customer needs and happiness at the forefront.

Based on 50 years experience, Nill's Furniture Design represents our country successfully in the world market, progressing towards becoming the leading brand at modern wood furniture design and production.

# NATURE-INSPIRED FORMS AND MATERIALS;

In our opinion, furniture is much more than the items that decorate our homes.

Furniture is a member of the family. We position the furniture, which has witnessed every memory lived in our house for years, and which is right next to us in many sadness and happiness, in the heart of life. Based on this insight, we shape every detail that will add value to the furniture with artistic approaches and mastery; We are proud to give furniture the value it deserves.

## ON MEDIA

## WOODEN

All wood materials which are used in the main body and coatings; offer both design of the collection integrity as well as contribution to service life provides.

## FABRIC

Fabrics, one of the most important elements in terms of visuality and user experience in all groups; type, quality and use, adds value to our collections in terms of its convenience.

## GLASS

Glass materials, which we include in many different collections in their original form and with marble print, are among the leading actors of our processes of creating a design difference.

## MIRROR

Mirrors that add depth and spaciousness to the atmosphere of the environment in which they are used; are featured in Our living, dining and bedroom collections in different forms and purposes.

## METAL

Metal which is used as mainly on legs, gives both elegance and in terms of durability power to our products.

# Norma

Tv Unit

Norma TV Unit combines the warm structure of wood and its strong effect, which gives a sense of belonging, with the functionality that makes daily life easier and enjoyable, and draws attention with a timeless design. While the TV unit can be preferred individually or with all blocks, according to the needs; wall modules add flavor to your life by providing suitable storage and display space for your objects.

## Norma VOL.1

Sofa Set

Norma is adorned with details that you can find inspiration from, such as a pleasant fragrance that fascinates in every note. The set, which can be seen as a reinterpretation of the archetypal English Howard style sofas, easily finds a place in your home with its thin arms and back structure. When the back and seat cushions are combined with the soft texture of the imported velvet fabric, the comfort of the suit is inevitable; Norma does not compromise on its strength with the use of beech timber, poplar plywood and metal in the body.

Norma offers you different color alternatives with two different version options.

# Nateva VOL.1

Modular Wardrobe

Nateva Modular Wardrobe, which offers the convenience of storing tens of pieces of clothes, jewelry, shoes and accessories in one place and in an organized manner, offers practical solutions to the needs of daily life with its railed trouser holder and sensor-illuminated hangers. The reflective glass used on the exterior of the cabinet also creates a dazzling atmosphere in the environment.

# Otello

Sofa Set

The Otello Armchair, which best suits the minimal stance and gains a solid stance by processing the linen perfectly, underlines the comfort with the painted beech timber flap in front of it. Armrests with curved front surface and wide sitting area invite you to take a rest. Available in ebony and walnut dyed lapels, two different Otello versions are offered, paired with different colored linen fabrics. In addition, while matte black metal is used on the legs, beech wood and profile frame form the body. The triple sofas, whose backs can be opened backwards, offer an extra privilege for your guests with the feature of being a single bed.

## Otello V.2 Sofa Set

The Otello Armchair, which best suits the minimal stance and gains a solid stance by processing the linen perfectly, underlines the comfort with the painted beech timber flap in front of it. Armrests with curved front surface and wide sitting area invite you to take a rest. Available in ebony and walnut dyed lapels, two different Otello versions are offered, paired with different colored linen fabrics. In addition, while matte black metal is used on the legs, beech wood and profile frame form the body. The triple sofas, whose backs can be opened backwards, offer an extra privilege for your guests with the feature of being a single bed.

## Otello V.1 Relax

With a minimal design, Otello Relax underlines the comfort with its painted beech timber lapel in front. The armrests with curved front surface and the large sitting area invite you to relax. The lapels, presented in glossy anthracite and American Milling Walnut, are paired with different colors of nubuck and linen fabrics, and are offered in two different Otello versions. In addition, while matte black metal is used on the legs, beech wood and metal frame form the body. The relax sofa, the backs of which can be opened backwards, offers an extra privilege for your guests with the feature of being a bed.

## Otello V.2 Relax

With a minimal design, Otello Relax underlines the comfort with its painted beech timber lapel in front. The armrests with curved front surface and the large sitting area invite you to relax. The lapels, presented in glossy anthracite and American Milling Walnut, are paired with different colors of nubuck and linen fabrics, and are offered in two different Otello versions. In addition, while matte black metal is used on the legs, beech wood and metal frame form the body. The relax sofa, the backs of which can be opened backwards, offers an extra privilege for your guests with the feature of being a bed.

## Gona Sofa Set

Gona, animating plain and modern lines with quilted upholstery; It is produced specially for those who want to make a difference in their living spaces. Gona has only linen fabric in one of the three seats and a combination of linen fabric and vegan leather in the other. Medium soft sponge is used in the mobile cushion and fiber filling materials are used in the back cushion. Smoked metal legs, beech timber frame, and supporting iron bar used in the seat frame, increase the durability to the next level.
